Completing the CMS-1500 Version 08/05 Claim Form Guidelines for Physician Providers

(Revised October 2006)

Medica follows national and state uniform billing guidelines for the submission of CMS-1500 claim forms, although some fields required by Medicare or other payers may not be necessary for Medica claims. Following, on page 2, is a blank CMS-1500 claim form for reference, and pages 3-6 contain Medica's requirements for successful completion of the CMS-1500 form by professional providers. These instructions include specifications for each form locator (field) on the CMS-1500 claim form and whether or not Medica requires the field be completed for professional claims. The chart of instructions uses color to communicate whether filling in each field on the CMS-1500 claim form is required, not required, required when applicable, or desirable when completing a Medica claim.
